**Subject:** Honeywell Letter of Support for the HyVelocity Hub: Clean H2 from Texas and the Gulf Coast

Honeywell is pleased to support the “HyVelocity Hub: Clean Hydrogen from Texas and the Gulf Coast”, in response to the Department of Energy (DOE) Office of Clean Energy Demonstrations (OCED) Regional Clean Hydrogen Hubs Funding Opportunity Announcement DE-FOA-0002779 (CP Control Number: 2779-1501)

Honeywell helps industrial customers around the world operate reliable, efficient, and more profitable facilities through leading technologies, digitalization, and comprehensive lifecycle services. Our solutions and expertise cover the entire hydrogen value chain. Across production and conversion, transmission and storage, and distribution and use, our solutions can help operators and OEMs operate more safely and profitably.

The results of this project will modernize and upgrade our nation’s energy infrastructure, accelerate our competitiveness, benefit our local communities, and create jobs while simultaneously supporting efforts to build a clean energy economy that puts us on the path to achieve net-zero emissions economy-wide.
